A Newsletter from the Town of Princeton

October 2017

TULAMEEN RIVER BROWN BRIDGE

The Town of Princeton will be re-decking the Tulameen River Brown Bridge starting on the **2nd of October**. The Bridge over the Tulameen River will be closed from **October 2nd to October 20th** and traffic will be re-routed via Old Hedley Road and Highway 5A.

THE PEDESTRIAN SIDEWALK WILL REMAIN OPEN!

The work will include:

- Upgrading/replacement of the guard rails along the sidewalk and guard rails and bull rails along the bridge deck.
- Replacement of all the bridge decking using a new technology Helix screws to fasten the boards.

The Town of Princeton has ordered the decking material locally and the Public Works Crew will be doing the work.

Your patience is appreciated and we apologize for any inconvenience this may cause.

NO FIREWORKS OR FIRECRACKERS

The Town of Princeton would like to remind the community that no person shall, at any time hold, possess, store, explode, set off, sell or purchase firecrackers in the Town of Princeton. No person shall, at any time, explode or set off fireworks, excluding sparklers, Christmas crackers and caps for toy guns in the Town of Princeton.

For more information please contact the Bylaw Enforcement Officer.

THE TOWN OF PRINCETON WELCOMES GARY SCHATZ

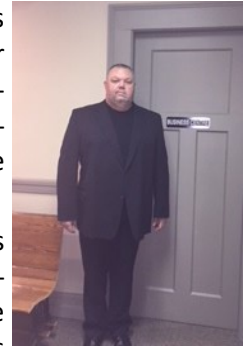

With over 25 years of hands on experience Gary an accomplished entrepreneur has been on the leading edge of new business ventures from the outset. With a knack for finding niche businesses he has started and successfully grown a number of companies. Gary has now expanded into the manufacturing and wholesale market and developed, patented and trademarked several retail products that are now available across Canada.

In 2012 Gary took his experience and passion for Business and became a Business Consultant with the Municipality of Chatham-Kent in Ontario and the Economic Development department. While in Chatham Gary provided business advice, guidance and consulting services to hundreds of entrepreneurs helping them achieve business growth and success. Gary has extensive experience in developing business and marketing plans. Some of Gary's skills include business growth and expansion either through traditional print media, e-commerce, web design or search engine marketing.

In 2016 Gary completed his Masters Certificate in Marketing and Communications Leadership from York University in Toronto. Gary continued his education taking numerous online courses through the University of Calgary and also through the Economic Developers Association of Canada in International and Canadian Economic Development.

With a firm belief in life long learning, Gary incorporates his education and work experience into working with new and existing business owners to help them to succeed.

To contact Gary please call Town Hall at 250-295-3135.

HUMAN-WILDLIFE CONFLICTS

It is your responsibility to report any human-wildlife conflict to the Conservation Officer Service. Posting on social media is not an effective way to report a human-wildlife encounters.

REPORT HUMAN-WILDLIFE CONFLICTS TO THE CONSERVATION OFFICER SERVICE AT: 1-877-952-7277 or #7277 on TELUS Mobility Network.

If it is an EMERGENCY call RCMP – dial 911 or local Princeton Dispatch at 1-250-295-6911.

REPORTING DECEASED WILDLIFE:

- If the deceased wildlife is found **on private property** it is the property owner's responsibility to remove it.
- If found **within town limits:** 1-250-295-3135.
- If found **on highway:** Argo Road Maintenance at 1-800-663-7623.

TIPS:

- Never feed or approach wildlife. If a wild animal approaches you, back away and give it space.
- Keep your garbage in until collection day.
- Pick fruit as it ripens - no windfalls.
- Birdfeeders should come down during "bear season."

wildsafebc.com - WildSafeBC is a program designed to reduce human-wildlife conflict through education, innovation and cooperation.
